### · Refined Warmth ·

Andromeda is a decor that embodies the refined elegance of chestnut, offering a clean, modern aesthetic with no distracting elements. The design features subtle, playful half-cathedrals, with a prominent pore pattern that creates a beautiful, all-over texture. Lightly brushed to maintain a smooth surface, Andromeda exudes a contemporary charm while retaining a natural warmth. The planked effect enhances its modern appeal, while the ability to free-cut the material adds versatility and a dynamic twist to any space. both elegance and innovation.
